

SELF SCREENING FOR PUPPY RAISER APPLICANTS

Puppy Raising is an incredibly rewarding experience that you will remember for the rest of your life. Not only will you be giving a gorgeous pup a loving home, but you'll also be helping to train a potential future Guide Dog that will change a person's life forever. It takes a lot of time, love and patience to raise a Guide Dog puppy, so take this quiz to see if you meet the criteria before you apply.

Are you willing to have a Guide Dog puppy living and sleeping inside your home?

Yes No

Are you physically able to manage a young and energetic dog?

Yes No

Are you able to attend weekly group sessions in the first 4 weeks of your puppy being placed in your home and then regular fortnightly group sessions thereafter?

Yes No

Are you able to travel for veterinary appointments such as vaccinations and de-sexing?

Yes No

Are you available to walk and socialise a puppy every day under the guidance of our Puppy Educators?

Yes No

If you have any other pets are they happy, relaxed and friendly towards people and other animals?

Yes No

Is your entire family informed and enthusiastic about participating in the Guide Dog journey?

Yes No

Are you able to meet with our Puppy Educators on a regular basis within a flexible time schedule?

Yes

No

Are you prepared to cope with puppy behaviours such as toileting inside the house, chewing and digging?

Yes

No

If you have answered **YES** to most of the above questions, please feel free to enquire about becoming a Puppy Raiser to learn more information.

If you have answered **NO** to two or more of the questions, you can still help us in other ways. Why not become a Puppy Pal or a volunteer in your local area. Free call us on **1800 810 122**.
